### Multivitamin formula

Roxvita contains balanced quantities of vitamin A & E together with manganese that neutralizes free radicals and protects body tissues from oxidation.

### **Empowering Immunity**

Roxvita contains vitamin B complex along with vitamin A, E & zinc that enhances immunity and protects from common infectious disease.

Roxvita helps protect the skin against sun damage and slows down the process of aging. Combination with zinc strengthens nails and promotes healthy hair follicle growth.

# **Vitality Of Brain**

Roxvita lowers high homocysteine levels, supports nerve functions and improves brain performance and memory.

Multivitamin formula
